

PROJECT RETURN SPONSORSHIP APPLICATION

Project Return is actively involved in fulfilling the Holy Word of God by blessing and assisting Jewish people from North America in making Aliyah to Israel.

Two ways to participate:

1. Aliyah Fund – *fill in page one only of application*

Assist with a one time gift to meet the financial needs of North American Aliyah. We do the communicating if you wish to remain anonymous.

For Example:

- Individual \$1500 USD or more
- Couple \$2000 USD or more
- Family \$2500 USD or more
- Or any amount the Lord lays on your heart!

2. Project Return Long Term Sponsorship - *fill in the full application*

Apply to sponsor a Jewish person, Lone Soldier, couple or family making Aliyah. After we have made an appropriate match, a unique relationship begins as you go through the process of Aliyah together, offering praying and encouragement, while assisting them financially to actually make the big move! Our Project Return team will provide advice and counsel to assist in building a meaningful relationship. Your initial donation, perhaps followed by a monthly gift of any amount for their first year in Israel will be of great assistance.
